

CHANGING ME

Jigsaw Jack's Journey

How can I cope positively with change?

changes
life cycle
baby
adult
growing up
male
female

I will explore...

- how I feel about change
- why change happens and how it is a part of growing up
- how everyone goes through these changes at slightly different rates
- how to respect my body and know which body parts are private
- how to cope with change

penis
testicles
vulva
anus
private

I will learn about...

- the life cycle of animals and humans
- how I change as I get older
- the things about me that stay the same as I get older
- the parts of the body that make boys and girls different
- changes that have happened in my life

excited
proud
worried
happy
nervous
curious

CHANGING ME

Jigsaw Jack's Journey

What things can you do now, that you couldn't do when you were a baby?

My Thinking Pad

What have I learnt in this puzzle that helps me to cope positively with change?

We all change as we grow older because...

Changing makes me feel...

I can look after my body by...

Which parts of our bodies are private?
Can you use the correct names?

How might you help yourself manage feelings about change that are worrying or sad?

Looking back at my journey

Something important I learned

I feel proud that...

A question I still have is...
